

*Middle School Service Project Day  
Permission/Volunteer Form*

On Friday, February 4, Ripon Christian students will participate in various on/off-campus service projects. This day will culminate our K-12 Spiritual Emphasis Week. What a neat way for students and teachers to carry out the third piece to our mission statement: *Serving God and others in His World!*

Middle school service projects will take place from 10:00 a.m. to noon. A number of students will leave campus. Each student group will have at least one teacher and/or parent chaperone. If the project is not within walking distance, an adult will drive the group to and from the service location and remain on site during the project.

The first part of our mission statement says, *Ripon Christian School, working with the Christian home and church,....* Service Project Day will not be a success without the help of many parent chaperones. If you can assist, please sign up below.

If you are able to chaperone, we invite you to attend the middle school/high school service project kick-off, which will take place in the P.A.C. from 8:30-9:30 a.m. Right after the kick-off, middle school project groups will organize and depart.
