

April 29 - May 3

Farm Animals

This week we will be studying about farm life and the many animals found on the farm. If anyone has a baby animal, whether it be farm or otherwise this would be a great week to bring it in and show the class. We are also expecting some visits from our RC High School FFA students.

May 6- 10

Mother's Day

We will be making something special this week for our "moms". This is also purple week.
