

Dordt Discovery Days is a hands-on learning camp in the arts, computers, sciences and much more. The five-day camp is for students who have completed 6th, 7th or 8th grades. Dordt College offers middle school students an opportunity to explore new interests or dive deeper into familiar ones. Students meet new friends from a variety of places and backgrounds and benefit from living and learning together in Christian community. Dordt College Discovery Days provides both an academic and social setting that encourages all students to develop a wide variety of skills and interests

Registration options include:
