

What Sets Us Apart?

As a parent-controlled private Christian school, our parents are assured of the following: Together, with them, we present a “united front” to the children because we share the same core belief that God is sovereign and Christ is at the center of all our teachings. In this way, we form a triangle: *church, home, school*. This is our assurance and, we believe, Ripon Christian School’s appeal.

Ideal Location

Ripon, California is a caring community with a small-town atmosphere, yet located in the heart of California’s central valley.

- Only one-hour north is Sacramento, our state capital, or many old gold mining towns in our foothills (Jamestown, Columbia, Sonora, Placerville).
- Two hours west is the beach in Santa Cruz, Fisherman’s Wharf or Golden Gate Park in San Francisco or Pebble Beach, Monterey and Carmel.
- Two hours east takes you to Bear Valley or Dodge Ridge ski resorts.
- Just three hours east or northeast brings you to the beautiful Lake Tahoe or Yosemite National Park.

Busing is offered up to a 30-mile radius and is included in the tuition.

Ripon offers the perfect blend of a small town appeal, yet surrounding communities continue to grow, enabling our private school to offer a Christian education to those outside our immediate reach.

Outstanding Athletics and Extracurricular Achievements

RCS offers many opportunities in art, drama, vocal and/or instrumental music. A qualified and enthusiastic staff works to encourage children to see their own spiritual talents as responsibilities as well as gifts.

RCS is very competitive in sports, winning many league championships and multiple state championships.

Total of 31 section championships!

- RC has won 52 league championships.
- 7 Nor Cal championships.
- 5 State Championships.

Additionally...

- Boys' basketball has won nine section championships (the most by any school in the section at any level). Boys' basketball has been runner up in the section five times.
- Girls' basketball has won 11 section titles and three times has been runners up (the most by any school in the section at any level).
- Girls' volleyball has won 10 section titles (the second most by any school in the section at any level).
- Boys' soccer has won 1 section title and was runner up once.
